We are working on the Breeders Map for the 2011 National Convention Souvenir Booklet **AND** the VA Holstein Website. We want EVERYONE that wants to participate to be included. We expect many people to drive to the convention in 2011, and they may want to visit farms on their way. If you prefer not to have visitors but still want to be on the map, just omit the last item on the list. Please complete this form and return it with your membership.
